

## LIMITED WARRANTY

Canadian Wastewater Solutions Ltd. warrants the parts in each treatment system for a limited two (2) year period. All warranty questions shall be resolved through Canadian Wastewater Solutions Ltd. The warranty on the treatment device is that the device is free from defects in material and workmanship from the date of installation treating household wastewater. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply. Sole obligation under this warranty is as follows: Canadian Wastewater Solutions Ltd. shall fulfill this warranty by repairing or exchanging any component part, F.O.B. factory that in Canadian Wastewater Solutions Ltd. judgment shows evidence of defects, provided said component part has been paid for and is returned through an authorized dealer, transportation prepaid. The warrantee must also specify the nature of the defect to the manufacturer.

The warranty does not cover treatment processes/devices that have been flooded, by external means, or that have been disassembled by unauthorized persons, improperly installed, subjected to external damage or damaged due to altered or improper wiring or overload protection.

This warranty applies only to the treatment process/device and does not include any of the house wiring, plumbing, drainage, or disposal system. Canadian Wastewater Solutions Ltd. is not responsible for any delay or damages caused by defective components or material, or for loss incurred because of interruption of service, or for any other special or consequential damage or expenses arising from the manufacture, sale or use of this process/device.

Canadian Wastewater Solutions Ltd. reserves the right to revise, change or modify the construction and design of the treatment process/device for household wastewater or any component part or parts thereof without incurring any obligation to make such changes or modifications in previously sold equipment. Canadian Wastewater Solutions Ltd. also reserves the right, in making replacements of component parts under this warranty, to furnish a component part which, in its judgment, is equivalent to the part being replaced.

Under no circumstances will Canadian Wastewater Solutions Ltd. be responsible to the warrantee for any other direct or consequential damages, including but not limited to lost profits, lost income, labor charges, delays in production, and/or idle production, which damages are caused by a defect in material and/or workmanship in its parts.

Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The warranty is expressly in lieu of any other express or implied warranty, excluding any warranty of merchantability or fitness and of any other obligation on the part of Canadian Wastewater Solutions Ltd. This warranty gives you specific legal rights, and you may also have other rights which may vary between the Canadian Provinces or legal jurisdictions as well as from state to state in the USA.
